## LANGUAGES

- Spanish: Native
- English: B1

## ABOUT ME

I decided to turn my professional career around and become a developer thanks to my adaptability, personal ambition, and desire to continue learning every day. Having worked for more than 3 years in front of the public, makes me an empathetic person, with ease in conflict resolution and teamwork.

## PROJECTS

### LET ME CHOOSE
Final project | May 2020
- Fullstack SPA made for choosing a random restaurant when you don't know where or what to eat in Madrid.
- HTML, CSS3, React Bootstrap, React.js, Node.js, Express.js, MongoDB, Mongoose y Heroku for the deploy.
**https://github.com/PatriciaJuradoDeBilbao/let-me-choose**
